

Freight Broker Inc.

2066 N. Capitol Ave. #1099,
San Jose, CA 95020

Email: info@freightbrokerinc.com

T:- 408-444-7530,

O:- 408-444-7571

DOUBLE BROKERING

This confirms that the carrier will not double broker any freight tendered to them by **Freight Broker Inc.** All freight will be carried on carrier company equipment only. If any load is double brokered without prior written consent of **Freight Broker Inc.**, the carrier will not be paid for the load.

OTHER CHARGES/DETENTION/LUMPERS

Freight Broker Inc. must be notified of detention during the occurrence in order to get paid. All arrival and departure times must be noted on the BOL/POD. Please make sure you read your rate confirmation as each customer may have individual requirements concerning detention.

If you are invoicing for lumper, you will need to inform Freight Broker Inc. at the time of the occurrence and provide a copy of the receipt with your invoice.

REGULATIONS AND COMPLIANCES

Freight Broker Inc. requires all carriers to comply with the regulations of the California Air Resources Board's (ARB), Transportation Refrigeration Unit (TRU), and Airborne Toxic Control Measure (ATCM). As a **Carrier** supplying transportation services to Freight Broker Inc., must certify that only reefers, which comply with ARB, TRU, and ATCM in-use performance standards will be dispatched to Freight Broker Inc. for loading or unloading into or out of the state of California.

If you are a California based carrier you are required to be registered on the ARBER system. If you are based outside of California, and have not registered with the ARBER system, we strongly recommend that you do so in order to avoid any potential rejections and/or delays in loading or unloading.

CARRIER shall be liable for and agrees to indemnify Freight Broker Inc. Customer(s) for any penalties, or any other liabilities, imposed upon Freight Broker Inc. Customers as a result of CARRIER's use of equipment found to be non-compliant with any laws, statutes, regulations or requirements, including but not limited to those set forth above. Upon Freight Broker Inc. request, CARRIER shall provide proof of CARRIER's compliance with any such laws, statutes, regulations or requirements.

Please sign and return a copy of this letter certifying your organizations acceptance.
